The Call America Heeds

The Red Cross nurse is the symbol of the 1941 American Red Cross Roll Call poster, appealing to all men and women to join their local chapters during the annual drive, which opens Armistice Day.

Daly City's Roll Call chairman is Mrs. Clarence Page, 532 San Diego avenue. She issued an invitation today for each local organization to appoint a member to represent it on the committee of which she is head.

"This year the need is greater than ever," Mrs. Page pointed out. "We must all do our share."

Peace and Quiet -- They're Wonderful!

"Best Hallowe'en night we have ever had!" declared Chief of Police James G. Reardon as he summarized the results of possible Hallowe'en pranks.

With the police and fire departments functioning 100 per cent, Friday night, the city enjoyed a quiet evening, free from any adverse enthusiasm on the part of Hallowe'en pranksters.

Desk Sergeant Bill Bolger claimed he had been in the department nine years, and had never witnessed a Hallowe'en night as free from reports of mischief to the police department.

Officers were stationed at both community parties, and at the high school where a basketball game was in progress, as well as at other points throughout the city.

Officer Takes Two Youths Into Custody

Sergeant Ricco Benedetti, local police officer, took into custody two San Francisco youths shortly after midnight, Sunday, when he found them prowling around a gas station at Mission and Vale streets.

Sergeant Benedetti saw the two youths, Sidney Fisher, 18, and Edward Whisman, 18, take the cover off the storage tank at the station. The boys decided not to siphon the gas out, although they were equipped with a pump and hose connection. They later admitted opening the tank.

After an investigation by Chief of Police James G. Reardon, the two youths were released to the custody of their parents.

Collector Announces Daly City-Colma Hours

A. McSweeney, San Mateo county tax collector, announces that taxes will be collected in Colma, tomorrow, between the hours of 10 a. m. and 3 p. m. Collections will be made in Daly City, next Wednesday, during the same hours.

Taxes on all personal property secured by real property and on drainage District No. 24, and one-half of the taxes on all real property will be due and payable Saturday, November 1. Eight per cent of the amount will be added to any taxes not paid by December 5, at 5 p. m.

Returns can also be made at McSweeney's office in the court house at Redwood City, between 9 a. m. and 5 p. m. any week day.

Daly City Prepares For Armistice Day

Daly City will join the rest of the nation in observance of Armistice Day, Tuesday. Grammar and high schools will be closed, as well as all city departments with the exception of the police. Local banks and many business houses will not open.

Monday evening, the dramatics class of Jefferson Union high school, has invited the public to attend their annual Armistice Day pageant. The preparations for the presentation have been kept secret.

Sigfried Hansen, dramatics instructor, announces that a most unusual evening of entertainment is planned. The curtain will go up at 8 p. m. and admission is free.

Display of Ceramics Draws Many Spectators

Choir boys, squirrels, birds, native groups, decorative vases, religious plaques and other clever miniatures, now on display in the window of the Henry Warshawski Dry Goods store, 6340 Mission street, conclusively demonstrate the skill of local ceramics students.

The exhibit, arranged by the Daly City WPA Recreation department, includes 35 pieces of work done by eighteen students in the Recreation department ceramics class. Instructor is Mrs. Alice Hillerich.

The display will remain on view until tomorrow evening.

Arnold Receives Job As Superintendent

Harry W. Arnold, former superintendent of the WPA streets project in the southern part of Daly City left, last week, for a year and a half in the Philippine Islands.

He is well-known in this region having formerly been connected with the Road Department of San Mateo county. He has resided at 139 Vista Grande avenue for over a year.

Arnold will be construction superintendent with the W. A. Bechtel company. They will be doing defense work on the islands.

Complete Organization Of Defense Council

Complete organization of the San Mateo County Defense council was announced, Monday, by Earl P. Wilsey, council chairman.

A meeting of the council was held, last night, at Redwood City, making public the full roster of names of council members. Problems of civilian defense in general were discussed by Richard

Thirty-One Leave For Army Service

Thirty-one selectees reported to Daly City draft board, No. 103, this morning at 7 a. m. before leaving for service with the United States armed forces.

The group, which included twelve Daly City men, and nineteen from other communities, went by street car from the "top of the hill" here to the San Francisco armory for induction.

Norman Emil Ludkey, South San Francisco, was selected by the local board as leader of the group and was entrusted with the

Warren Roath, 759 Niantic avenue, 10 year old Daly City boy, narrowly escaped fatal injury, Monday noon, when he was struck down by an automobile at the intersection of Knowles avenue and Mission street. The car was driven by Owen Paul McCabe, San Francisco.

Suffering from a possible brain

concussion and severe back injury, young Roath is still being held under observation at Villa sanitarium.

Warren was running west across Mission street when the accident occurred. Wet weather made visibility poor even at noon day, and the boy was directly in front of the approaching car before he was seen by the driver, according to McCabe. McCabe claimed he was driving only 15 miles per hour when the accident occurred.

Tickets On Sale For "Cow Palace"

The best for the least!

This was assured spectators at the Grand National Livestock exposition at the "Cow Palace," November 15-22, as tickets went on sale, yesterday.

General admission to the three-hour show, it was revealed by George N. Keyston, association president, will be unusually low.

All seats within the "Cow Palace," Keyston pointed out, permit occupants an unobstructed view of the arena where the entertainment and stock judging, horse show and rodeo events will take place. The building has neither pillar nor post, despite its immense capacity of 12,000 seats.

In announcing the price range, Keyston revealed that children under 12 years of age will be admitted for half price. Prices for

An announcement, made public recently by the United States Navy department, that construction has been started on six 27,000-ton super cruisers, indicates that work on our new "Two-Ocean" Navy has been further accelerated. This latest statement concerning naval shipbuilding brings the total number of new ships ordered since January 1, 1941 to 2,831—with 968 of these ships already under construction.

So coordinated and precise is the current naval shipbuilding program that many months are being cut from the normal building time of American-made warships.

This expert planning and new speed in construction from 45,000-ton dreadnaughts to small torpedo boats opens the way for the Navy to accept new qualified men for training at the rate of 12,000 to 15,000 a month. These men, enlisting in either the regular Navy or the Naval Reserve, will be sent to one of the four naval training stations and may have a chance to go to a Navy trade school even before assignment to the fleet. During this period they will receive regular Navy pay and the free Navy schooling is valued at hundreds of dollars.

"Never in the history of the United States has there been greater opportunity for loyal young Americans to serve their country and build their futures than right now," Secretary of the Navy Frank Knox recently said.

At the suggestion of Secretary of Navy Knox, Albert H. Boyn-

Police Report Five Accidents

Five automobile accidents in the vicinity occurring over the week-end were reported to the Daly City Police department. Two resulted in injuries to passengers.

Dolly Silicani, Colma, received a compound fracture of the left leg and a bad fracture of the right leg when she was struck by a machine, Saturday evening. The accident took place on San Pedro avenue when she was crossing the street. The machine was driven by John Johnson. The woman was taken to Junipero Serra hospital by the hospital ambulance service.

Another accident at Mission and School streets, Sunday evening, involved William Charles Schuba, 19, 6026 Mission street and Doctor Russ R. Bullock, San Francisco. Mrs. Lula Kinsman, passenger in the Bullock car was treated at Junipero Serra hospital for shock.

Attilio Pastorini, Redwood City, reported to the local police, Saturday night, that his car was struck by another machine at 866 Brunswick street. Pastorni was pulling out from the curb when his car was struck. Pastorini could furnish no description

Daly City Police Chief Attends F. B. I. Course Of Instruction For Emergencies

Preparation of law enforcement bodies for possible emergencies in the national crisis was the object of a course of instruction attended by Daly City Chief of Police James G. Reardon, last week. Chief Reardon was accompanied at classes by Sergeant Ricco Benedetti.

The conference and training course, under direction of the Federal Bureau of Investigation, was held, Thursday and Friday, at the University of San Francisco. The course will be followed later this month by six days of field work. Chief Reardon expects to take as many local police officers as can be spared to the field classes.

Registration took place at 8 a. m., Thursday, and 126 police chiefs and their executive aides were present, representing northern California. The territory included from Fresno to the south to the Oregon border.

Instruction by Chief Reardon, with Officer Benedetti's assistance, for the balance of the local police force, will be started this week.

Instruction in last week's classes were centered around problems of evacuation and instigation of blackouts with regard to air raids.

the reserved seat sections and box seats will be more.

Ken Maynard, famous movie cowboy star will headline the arena show. In addition to the Horse Show in which the cream of the nation's blooded horses will compete, and the rodeo, which will attract foremost buckaroos in the country, there will be breath-taking specialty acts, according to Harold F. DePue, general manager of the Exposition. Among them will be the Black and White Horse Troupe of twelve matched mounts ridden by six beautiful film performers; Pallenberg's performing bears and The Great Peters who hangs himself in a 60 foot drop and lives.

WANT A JOB?

The United States Civil Service commission announces a number of open competitive examinations for—laborer - patrolman, throughout California; for purchasing officer (various grades), throughout the States of California, Arizona and Nevada; for operator (gasoline and oil distribution system) throughout California; and for repair shop superintendent, senior shoemaker, and shoe repairman, throughout the States of California, Arizona and Nevada. (Applications for the last group must be filed on or before November 17.)

The necessary forms and complete information regarding these examinations may be secured from the secretary, Board of U. S. Civil Service examiners, at any first or second class postoffice in California, Nevada and Arizona; from the manager, Twelfth U. S. Civil Service district, room 119, Federal office building, San Francisco, or at the Colma postoffice, Colma.

Studebaker Reports On Third Quarter

The Studebaker Corporation, this week, reported consolidated net profit of $702,304 in the third quarter of this year, equal to 32 cents a share on the common stock, as compared to a net loss of $499,814 or 22 cents a share in the comparable period of 1940. For the first nine months of 1941 consolidated net profit was $2,016,180 or 91 cents a share on the common stock as compared to $457,495 or 21 cents a share in the first nine months of 1940.

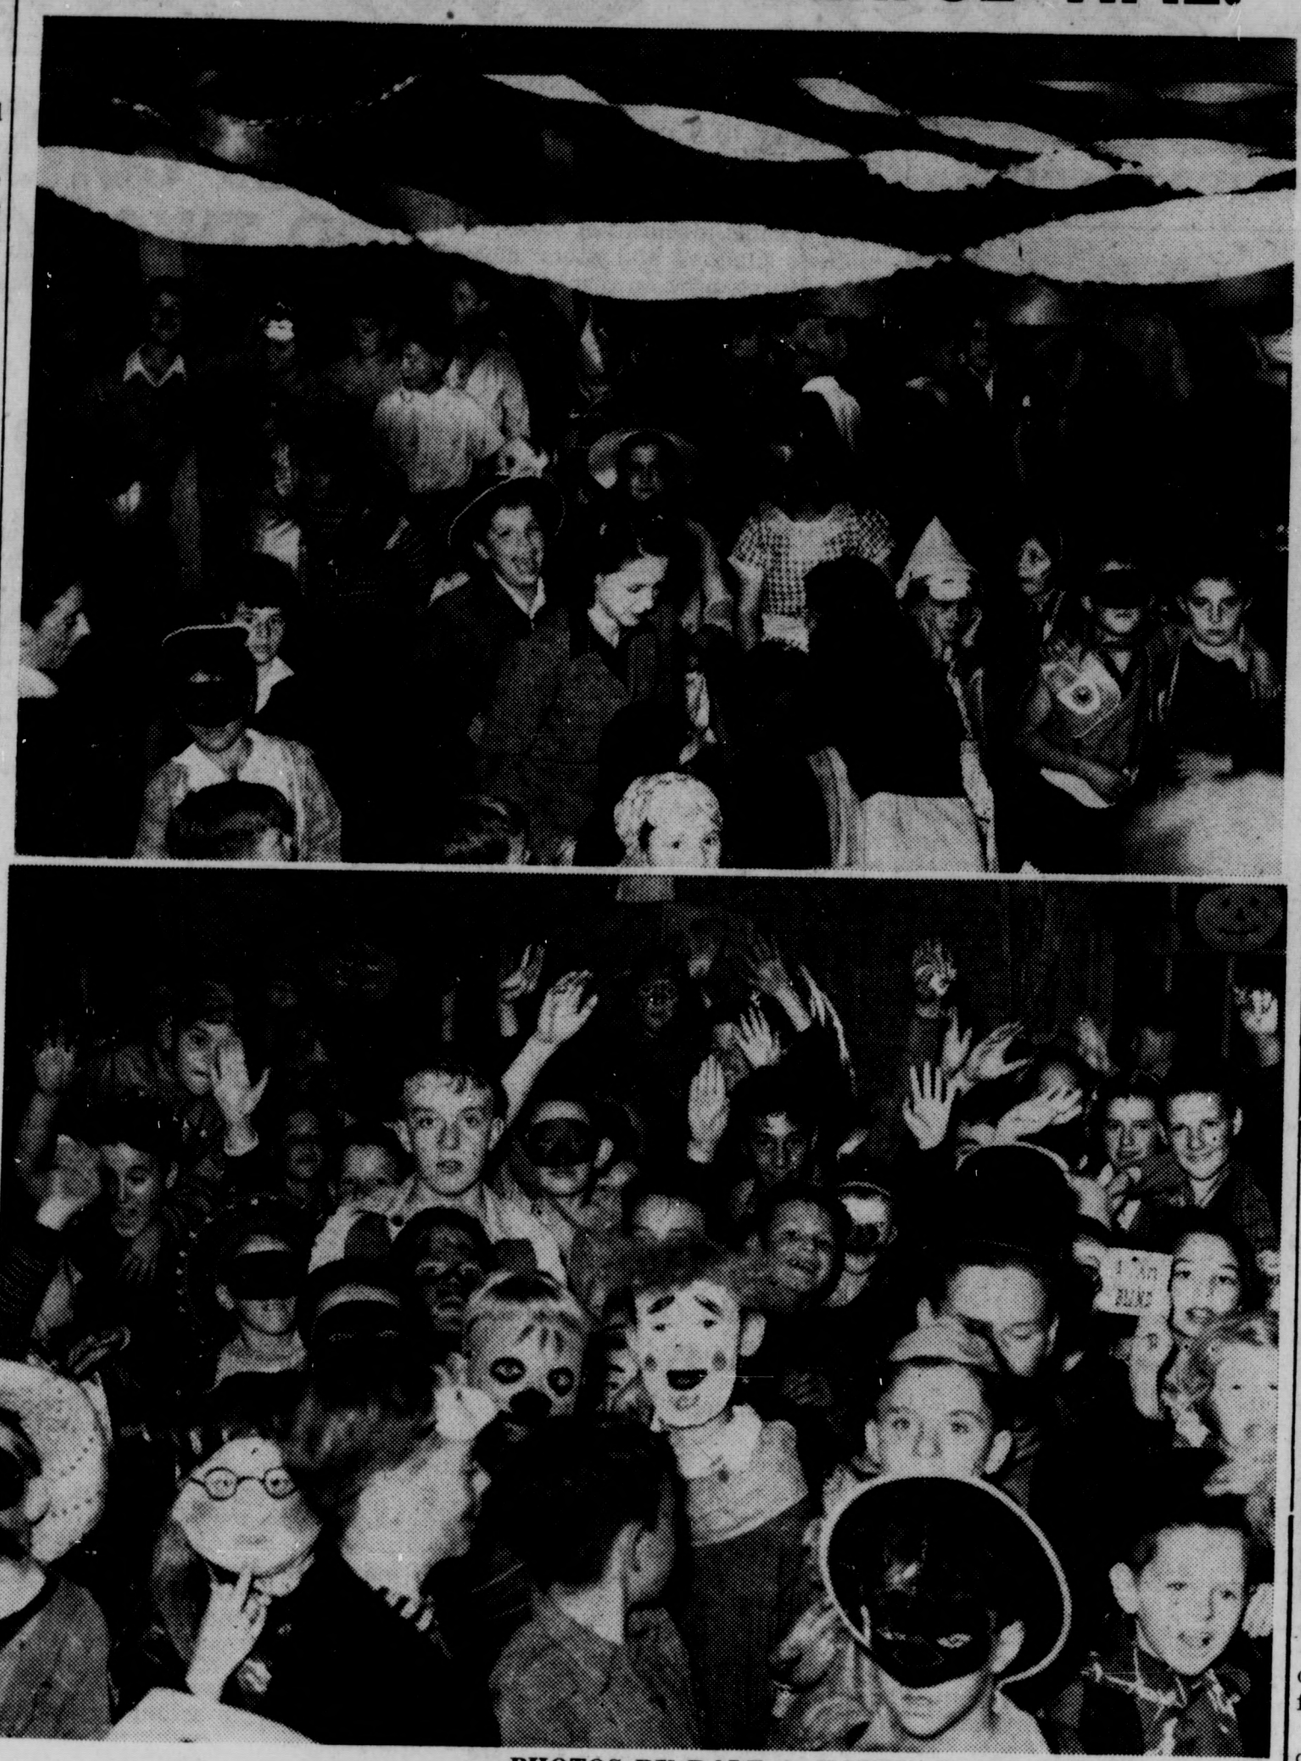
The company reported net working capital of $15,437,296 at September 30, 1941. This is the highest total of working capital reported since the present corporation was organized. The figure compares to $10,297,491 a year ago.

Factory sales for the quarter were 28,769 cars and trucks as compared to 19,748 a year ago.

"Studebaker has been subject to all the handicaps that are common to the automobile business and to industry generally, but we have been able to maintain a high level of employment and to make substantial corporate progress," said Paul G. Hoffman, president of the Studebaker corporation.

"We sincerely believe that the 1942 cars we are turning out today are the best the company has ever built. There is some assurance that we may be able to produce a satisfactory number of passenger cars during the next few months, but the necessities of defense may change that situation at any time. However, whatever production is lost through the curtailment of passenger car output may be offset in a large measure by an increase in Army and Commercial truck production."

THEY HAD A WONDERFUL TIME!



—PHOTOS BY DALE A. HOVEY, STAFF PHOTOGRAPHER

Daly City police reported a Hallowe'en unprecedented for its quiet and lack of property damage. And no wonder! More than a thousand local youngsters attended the two costume parties sponsored by the Daly City WPA Recreation department and the City of Daly City.

The parties were held at the Jefferson Union high school cafeteria and General Pershing school. Games, dancing and refreshments were enjoyed by the boys and girls who had a wonderful (but a safe) Hallowe'en at the community parties.

ton has been made Navy editor of the Daly City Record to help the Navy in giving ambitious young men information about the opportunities the "Two-Ocean" Navy offers for technical training and advancement.

In outlining the many advantages offered by Naval enlistment, Boynton said, "It is possible for a bright young man to increase his pay seven times during his first enlistment and he can earn as much as $126 a month. This monthly figure is actually worth much more when it is remembered that the man has few living expenses and is provided with the finest of medical and dental care.

"As Navy men are a 'hand-picked' lot, candidates must be men of more than average intelligence and ambition, of fine moral character and must have the written recommendation of at least two local townspeople."

As Navy Editor, Boynton has just received from Washington a supply of free illustrated booklets for all men interested and, in addition, will welcome inquiries from young men who wish to look into the new and greater opportunities the Navy and the Naval Reserve now offer for training for later civilian careers as they serve their country now in its emergency.

Erect Special Display In Children's Dept.

In observance of National Book Week, the Daly City Public library has erected a display in the children's department featuring the new children's books which are now available. Mrs. Jean O'Rourk, librarian, says it will be on view all this week.

Book Week, designed to create interest in reading for children, continues until Saturday.

The children's section of the library is decorated in a blue and red color scheme, in keeping with this year's national color scheme on posters.

Besides the display of new books, the library is decorated with hand-painted pictures characterizing the various books. A miniature house has been erected from book covers from the new editions. The house, a two-story building with a spacious lawn, stands well over two feet high.

Daly City Theatre To Show "Here Comes Mr. Jordan"

One of the finest casts ever assembled, in what Hollywood regards as one of the finest pictures ever made, may be seen tomorrow at the Daly City theatre, where Columbia's "Here Comes Mr. Jordan" will star likeable Robert Montgomery. Principal supporting players include Claude Rains, Evelyn Keyes, James Gleason, Edward Everett Horton, Rita Johnson and John Emery.

"Here Comes Mr. Jordan" was directed by Alexander Hall, the maker of such exceptional comedies as "This Thing Called Love," "He Stayed for Breakfast" and "The Doctor Takes a Wife." Sidney Buchman, who wrote the screenplays for "Mr. Smith Goes to Washington," "Theodora Goes Wild" and other hits, and Seton I. Miller, of "Robin Hood" and "Dawn Patrol" fame, collaborated on the screen play, an adaptation of Harry Segall's play, "Heaven Can Wait."

According to advance report, "Here Comes Mr. Jordan" is a story never told on the screen before, a comedy which dares to break every rule of film-making, even as it achieves a high level of entertainment. Its characters are said to be gay, adorable, hateful, human; its story still has Hollywood chuckling.

Montgomery is seen as a fellow named Joe, a likeable guy with a sense of humor who is obsessed with one overwhelming ambition. In pursuit of that ambition he is helped by sympathetic, kindly, dignified Mr. Jordan, and by Mr. Jordan's unique understanding of problems and of their solutions.

In the role of Mr. Jordan, Claude Rains is said to provide one of the year's most magnificent performances. Similarly, James Gleason tops even his outstanding "Meet John Doe" characterization, with his work in "Here Comes Mr. Jordan," and Edward Everett Horton contributes another of his delightfully fuddled roles.

Miss Keyes, as the romantic lead, is said to fulfill that promise of early stardom revealed by her in "Gone With the Wind" and "The Lady in Question."

Companion feature on the new bill will be "Jungle Cavalcade," with Frank Buck.

ROBERT MONTGOMERY

In one of the most unusual comedy roles in screen history, Robert Montgomery will be starred at the Daly City theatre in Columbia's "different" new film, "Here Comes Mr. Jordan." Claude Rains, Evelyn Keyes and James Gleason are others in the cast of the drama, which opens tomorrow for a three-day run.

Bayshore Students Have Hallowe'en Party

Children of the Bayshore school enjoyed an old fashioned Hallowe'en party, Friday afternoon. The party was sponsored by the Bayshore P. T. A. Mrs. W. Praul is president.

Mrs. B. Bethume, chairlady of the P. T. A.'s bundles committee, today reported that the members brought many articles on "Bundle Day," Friday. These bundles consist of materials and goods that are distributed to needy families throughout the county.

The Bayshore P. T. A. participated in the Fathers' Night at Jefferson Union high school, Tuesday, October 21. Mrs. Praul presided during their unit's short business meeting. The following officers were noted present: Mrs. L. Plumb, Mrs. H. Schepper, Miss N. Taylor, Mrs. J. Mardecich, Mrs. W. Lowe, Mrs. S. Wegoner and Mrs. Eva Silar.

Mrs. George Priola, program chairman, introduced the Bayshore school band and leader, J. Kesson.

Eagles To Hold Huge Turkey Whist

"Whist players are bound to have a good time at the Eagles' biggest whist of the year," stated William Bolger, whist chairman.

The members of Colma Vista Grande Aerie No. 1848, F. O. E., have scheduled their annual turkey whist for Monday evening, November 17.

Three turkeys will be given away during the evening. A cash first prize is promised along with many other valuable awards.

In charge of the playing will be Bolger and his committee—Bill Wright, Mel Battye, John Craig and Dale Hovey.

Playing will start at 8:30 p. m. at Eagles hall. Price of score card is nominal and the public is cordially invited.

Druids Set Date For Installation

Newly elected officers for Hillcrest Circle No. 143, U.A.O.D., will be inducted into office at public installation ceremonies, Monday evening. The Blue room at Masonic temple will be the setting and Mrs. Madeleine Fellows, junior past grand arch druidess of the State of California, will be installing officer.

At 7 p. m. members will meet for a short business session. The installation ceremony, to which the public is invited, will begin at 8:30 p. m. Assisting Mrs. Fellows will be past arch druidesses of Hillcrest circle.

Appointive officers for the circle are to be announced, Monday night. Those elected, at the October 27 meeting, were: arch druidess, Mrs. Eleanor Wilson; first bard, Miss Mathilda Farbar; second bard, Miss Rosalyn Rosenberg; conductress, Mrs. Doris Craig, assistant conductress, Mrs. Laura Paul; inside guardian, Mrs. Audrey Code; outside guardian, Miss Sally Watson; chaplain, Mrs. Hazel Keagle; musician, Mrs. Gertrude Gehringer; auditors, Mrs. Dora Holmberg, Mrs. Catherine Foreman, Miss Wilma Schmidt; trustees, Mrs. Mae Baker, Mrs. Irene Rosenberg, Miss Irene Twesten.

Chair officers for Hillcrest circle are chosen twice a year, while desk officials are elected annually. Mrs. Violet Hauptli, who has had a most successful term, is retiring arch druidess.

After the installation, refreshments and entertainment will be enjoyed in the banquet hall.

Hillcrest circle expressed their appreciation to the many who attended the circle's big whist, Monday evening of last week. Mrs. Hauptli and Mrs. Victorine Lombard were in charge. The quilt was awarded to Mrs. Wilkinson, 229 Whitney street, San Francisco.

Chrysler For 1942 Features Innovations in Automobile Design

Perhaps one of the outstanding innovations in automobile design in the new models is the new Chrysler, now on display at the showrooms of Mission Auto company, Chrysler-Plymouth dealer here, 6465 Mission street.

"The Chrysler for 1942 shows to a marked degree the influence of the custom-made Chrysler Tunderbolt which was exhibited a few month ago in Northern California," said A. L. Tamossi, manager. "At that time, the Chrysler Tunderbolt was heralded as "The Car of the Future," and it is apparent that the principles of aerodynamic styling have been used to a large degree in Chrysler's offerings for the current model season.

"The 1942 Chrysler line comprises six models, with a total of 31 body styles. The Chrysler Royal and Windsor, 6 cylinders and with 120 H. P., are built on a wheelbase of 121½ inches and 207 inch over-all length. The Saratoga and New Yorker, 8 cylinders and 140 H. P., are built on a 127-inch wheelbase, with a 213 inch over-all. The wheelbase of the Chrysler Crown Imperial is 145 inches, with a 231 over-all length.

"Although the wheelbase of the various Chrysler models have not been increased," continued Timossi, "yet the cars are wider and lower. There is considerably more elbow room, and the riding qualities have been noticeably improved. A choice of 12 plain colors and 7 two-tone combinations is offered as standard, and many of the colors are entirely new this year. The shortage of white sidewall tires has been ingeniously overcome through the use of a white tire ring which produces a similar effect. Mirror hubcaps accentuate the smart appearance of the wheels.

"The front end of the Chrysler is ultra-streamlined, with a modern grille which extends round the front fenders, giving an entirely new note in front end design. Running boards are concealed by the lower portion of the body flaring out to meet the outside edge of the running board.

"Bumpers are stronger and wider than ever, and have been especially designed to protect the car against a wider range of bumpers mounted at varying heights on other cars."

All models in the Chrysler line this year, according to Timossi, are equipped with Chrysler's famous Fluid Drive, now in its fourth season, and Vacamatic Transmission. Fluid Drive enables the motorist to do 99 per cent of his normal driving in high gear, eliminating use of clutch or gear shift lever. Vacamatic Transmission, which was so popular in the 1941 series, allows gear shifting to be made automatically and contributes noticeably, in conjunction with Fluid Drive, to the fine performance of the new Chrysler.

Timossi pointed out that since most motorists are purchasing cars for the long pull, this year, the fact that Chrysler has included an even greater number of super-finished parts in the new models will be of interest. Because of Chrysler's exclusive super-finishing process, vital wearing parts are finished to an almost mirrorlike surface, virtually eliminating measurable wear after many thousand miles of travel.

Interior treatment of the various models is marked by scores of refinements and added conveniences. Chrysler's "Tailored-to-Taste" options, which allows the purchaser his choice of interior treatment and upholstery, are continued this year in the new line.

Junipero Serra Hospital Treats Five

Bill Braumoeller, 17, 433 Santa Barbara avenue, was treated at Junipero Serra hospital, last Wednesday, for laceration of the left wrist after having been thrown from the running board of a tow truck at the high school. The accident occurred when the truck came to a sudden stop.

Art McCrystle, Daly City high school boy, was injured while playing football, Friday, and was treated for a cut on the knee at Junipero Serra.

A six-year-old Colma boy, Edward Fuchs, was treated for a dog bite, Friday.

Mario Puccini, Colma, was taken to Junipero Serra hospital, Saturday, after cutting the palm of his right hand on a broken glass.

Robert L. Clegg, Rockaway Beach, was treated, Sunday, for lacerations after a fall. He slipped on some mud.

Lions to Meet at Noon For Hilltop Luncheon

Regular organizational business will be transacted today at the weekly meeting of the Daly City-Colma Lions club. The luncheon will begin at noon at Hilltop lodge.

The Lions club planned an event last week for the ladies which turned out to be a very enjoyable evening for everyone that attended. "Ladies' night" was attended by 55 Lions and their partners with everyone joining in the fun at Hilltop lodge.

Besides the dinner, old time games and old fashioned dancing were enjoyed.

Court St. Mary Schedules Whist Party

Members of Court St. Mary No. 1155, C. D. A., cordially extend an invitation for whist players to attend their party, scheduled for tomorrow evening. Playing will begin at 8:30 p. m. at Masonic hall.

All members are urged to be at the hall at 7:30 p. m. as a short business meeting will be held before the whist begins.

A committee of ten has been appointed and they promise lots of prizes and a good time for all who attend.

Modern Transportation

Motor transportation is rapidly replacing pack animals for hauling in Afghanistan.

Chemicals in Textiles

Textile fibers, including cotton, linen, rayons, silk and wool, are built up mainly from carbon, hydrogen and oxygen, although silk has in addition some nitrogen, and wool has nitrogen and sulphur.

Here are 7 reasons why Chrysler is 1942's outstanding buy:

A. L. TIMOSSI

1. **AERODYNAMIC STYLING** patterned after the famous Chrysler "Thunderbolt"... so new, so advanced in streamlining...it will *still* be modern-looking 5 years from now.
2. **CHRYSLER'S "SPITFIRE" ENGINE** offering 120 or 140 H.P.—an engine built for EXTRA LONG LIFE, with dozens of Super-finished parts, Amola Steel, Oilite bearings.
3. **CHRYSLER'S FLUID DRIVE** now in its 4th year of use, and 2,000,000,000 miles of owner satisfaction behind it. Allows you to drive 99% of the time in high gear.
4. **VACAMATIC TRANSMISSION**—A new engineering triumph that saves gas by using only a fraction of horsepower at ordinary cruising speeds.
5. **"TAILORED-TO-TASTE"** custom-type interiors that permit you to select your OWN color combinations in upholstery, trim and plastics.
6. **FLOATING RIDE**—A ride the whole industry is talking about—with synchronized front and rear springs to banish pitching, tossing, jolts and jars.
7. **UNEQUALED PERFORMANCE.** You cannot fully appreciate how thrillingly different Chrysler's performance really is until you DRIVE it! Come in...

Now—more than 12 million telephone calls a day!

THE number of telephone calls we handle on the Pacific Coast has mounted to over twelve million a day!

Each telephone call must be made to order—on a moment's notice...manufactured and delivered in a matter of seconds.

That's a big job—but it's only part of the job we're doing today as the West hits its stride on National Defense work. Add to this a program of plant additions, this year, in excess of $75,000,000 of which expenditures for new construction alone will be over $62,000,000.

We are making an all-out drive of man power, materials and money to supply the kind of telephone service that will help the Pacific Coast speed its part of America's biggest job.

FOR HOME AND COUNTRY

It's time for the West to show it can give, as well as take it!

Tops over all parts of the country in the mammoth volume of defense contracts it has received, it's up to the West to best the rest of the nation in supporting the government's defense savings stamps program.

California joyfully rides the crest of a boom which has lifted employment to new peaks, multiplied payrolls, built boom towns, and spread a new wealth of purchasing power. Can you question the ability of California's citizens to back the savings stamp program with dimes and quarters?

Today, of course, it's easier than ever before to purchase them. With an enthusiastic support that has won the high praise of Treasury officials, California retailers, chain and independent, are now making these stamps available to the public everywhere. Whenever making a purchase, shoppers can turn some of their small change to good account by investing in the nation's security. Your dimes, quarters, or half-dollars, invested in redeemable stamps, will go to fashion the weapons of defense, will help feed and clothe the men in the armed forces who are the guardians of this nation.

Next time when shopping, buy for home—and for country, too!

SOMETHING OUGHT TO BE DONE ABOUT IT!

Today one of Daly City's youngsters lies in a local hospital with possible serious injuries resulting from ANOTHER auto accident.

It's the same old story—poor visibility; boy runs across street; motorist can't stop in time; an impact; an ambulance; scarred flesh and broken bones; broken hearts!

It is the contention of this newspaper that something ought to be done about it. And from time to time there have been suggestions made that could be worked into a central program styled to save pain and lives. We list some of these suggestions:

1. Tighten the vigil on careful driving.
2. Continuously promote a comprehensive program of pedestrian education to incorporate an old adage, "Stop, Look, Listen."
3. Solve the mechanical problems of improper parking, haphazardous turning, dangerous crossing.
4. Form a local traffic safety committee and charge it with the responsibility of carrying out this program.

Let's do something about it! The next accident may cost you or me money and tears.

Pardon me— have you heard?

The **ST. MARY'S CLUB** will stage a mammoth rally jointly with San Francisco, Watsonville and Salinas members, Saturday night, at Hotel Resetar, Watsonville. This is the evening before the St. Mary's-Duquesne football game. Busses will take members to Watsonville, Saturday afternoon, and return for the game at Kezar, Sunday.

At the request of Brigadier General Thomas J. J. Christian, Camp Roberts, the V-Day Committee of the California State Chamber of Commerce Travel and Recreation department, is now developing a program for a **V-DAY** at Camp Roberts on Armistice Day, November 11.

Camp Roberts, located near San Miguel, is the largest army replacement camp in the United States.

DEFENSE BOND Quiz

Q. I cannot find the word "Defense" anywhere on the Defense Savings Stamps I have bought. Are they merely Postal Savings Stamps, or does my money invested in these Stamps go into the Defense Program?

A. The money you use to purchase these Stamps goes definitely into the Defense Program. The Stamps bear the words "America on Guard," which indicates that they are an integral part of the Defense Program.

Q. What is the Treasury's purpose in putting Defense Savings Stamps on sale in retail stores throughout the Nation?

A. To make it as easy as possible for Americans everywhere to buy these Stamps, which, as everyone knows, may be exchanged at many post offices and banks for Defense Savings Bonds.

Note—To buy Defense Bonds and Stamps, go to the nearest post office, bank, or savings and loan association; or write to the Treasurer of the United States, Washington, D. C. Also Stamps now are on sale at most retail stores.

Auto Crash Results In Death of Student

Death to a San Mateo high school boy, and serious injuries to a Daly City youth and two others were results of an automobile crash in Burlingame, last Tuesday.

William McLeod, 16-year-old San Bruno boy, was killed while riding in a car driven by Wilson Flowers, 20, 55 Beta street, Daly City, when the vehicle crashed into a machine driven by Albert Haas, Atherton.

Flowers suffered possible internal and abdominal injuries, and was taken to the Community hospital in Burlingame. Haas and his wife were rushed to Mills Memorial hospital where they were both treated for lacerations. Incurring a skull fracture, young McLeod was also taken to Mills Memorial hospital, where his death was confirmed.

The Daly City youth's car was badly damaged on the right side, having swerved to the left into the lane of the oncoming Haas car. Flowers claimed the machine got out of control on the wet road, and skidded into the lane.

Flowers had picked up young McLeod on the latter's way to school.

Pershing PTA Plans Night Whist

The regular meeting of Pershing P. T. A. was called to order by President Mrs. Nora Clifton, yesterday. They met at General Pershing school at 1:30 p. m.

After routine business was taken care of, plans were discussed and made for an evening whist. The date has been set for Friday, November 14, at 8 p. m. at General Pershing school.

In charge of the party plans will be all members of the executive board.

Tentative plans were also made to hold a combined whist with Crocker P. T. A. Proceeds are to be used to replace cafeteria material.

At the close of the meeting their honored guest, Mayor John J. Fahey, spoke to the group on "Civic Responsibility." Mrs. Clark's class gave a school demonstration. Refreshments were then served under the chairmanship of Mrs. Sarah Nordgren.

The ladies announced that one hundred and sixty under-weight children were served free breakfast at the school cafeteria. The P. T. A. women were in charge of the serving.

Mrs. Clifton attended the district executive board meeting in Burlingame, Monday.

Members of the sewing circle will meet, tomorrow afternoon at 1:30 p. m., at Pershing school. Mrs. Frances Haussler, sewing chairman, urges all interested in sewing to attend.

Mrs. Gehrig Hostess To Executive Board

Mrs. Marie Gehrig, 342 Irvington street, was hostess to the Crocker P. T. A. executive board and Sew and Sew club, Friday. Twenty-one ladies were present.

Next meeting of the Sew and Sew club will be held Friday morning at 11 a. m. at the home of Mrs. Orvilla Pauw, 859 Hanover street.

The regular meeting of the Crocker P. T. A. has been postponed one week due to the Armistice Day holiday. It will convene at 1:30 p. m., Tuesday, November 18, at Crocker school.

Mrs. Olga Bordson, president of the unit, attended the district executive board meeting in Burlingame, Monday.

Mrs .Mildred Seiler represents the local unit at the weekly publicity class held in Burlingame every Wednesday.

LECTURE SERIES BEGINS TONIGHT

Reverend N. M. Lewis, pastor of Grace Church of the Nazarene, announced today that a series of lectures on world events and Bible prophecy will begin, this evening, at the church at 7:30 p. m.

Wesley G. Edwards, noted evangelist, will lecture, and the

series will continue through November 16.

Supplementing his lectures, Reverend Edwards will illustrate the various subjects of world events with screen pictures. These lectures will be delivered in serial form with a lecture each night.

There will be no admission charge, and the public is invited to attend. The church is located at the corner of Vista Grande and Santa Barbara avenues.

Topics which will be discussed will be: "Nations Preparing for War," "The Coming World Dictator," "Jews Returning to Palestine," "A World Union of Churches," "Startling Signs in the Heavens," "Great Signs in the Earth," "The Midnight Hour," "Collapse of the Gentile Age.'

Bethel No. 68 Plans Huge Whist

Honored Queen Shirley Yates, Daly City Bethel No. 68, Order of Job's Daughters, today announced that plans were nearly complete for a huge public whist, to be held Wednesday, November 12. The card playing is to be held at 8 p. m. in Masonic hall.

Committee chairmen for the huge event include Miss Anne Cameron, chairman of refreshments; Miss Alice Jorgensen, chairman of tickets; Miss Irene Johnston, chairman of prizes.

According to the girls, lots of prizes have been procured for the affair, and a cash first award and a door prize will be given.

All proceeds from the card party will be used to replenish the bethel's treasury. The game is to take place instead of the group's regular meeting.

At the close of the games, refreshments will be served for a nominal charge.

The public is cordially invited to attend.

No Blackout

Failure to display tail lights on their baby carriages during the blackout cost four women four shillings (about 80 cents) each. They were fined in magistrate's court at Walsall, Staffordshire. The arrests were made after one of the carriages was hit by an automobile.

Scout Cookie Sale Termed "Huge Success"

"A huge success" was the term given the Girl Scout Cookie sale, held October 25-November 1. The girls were seen traveling from door to door with their cookie boxes. A stand was also placed in front of Warshawski's Dry Goods store.

After counting the number of boxes sold, it was found that Daly City had consumed 1,250 boxes of cookies.

Taking part in the sale were the three local troops and two Brownie packs.

The Girl Scout committee will meet, Friday evening, at the WPA Recreation department office for their regular monthly meeting.

Reports will be submitted on the picnic held in October and on the amount of money made in the cookie sale.

Plans will be discussed and made for the girls' annual Christmas party to be held in December.

Luncheon Whist Proves Successful

According to members of Woodrow Wilson P. T. A., their first luncheon whist, held Wednesday afternoon, proved a huge success.

Luncheon was served to 44 friends and members at the home of the chairlady, Mrs. Ida Hanley, 43 Woodrow street. Assisting Mrs. Hanley with the party arrangements were: Mrs. Hilda Heagney, Mrs. Emelie MonSanto, Mrs. Martha Linden, Mrs. Julia Petersen, and Mrs. Catherine Foreman.

A grocery prize was awarded to each table at the end of the playing time. "This was the largest affair of our term," stated Mrs. Hanley. "These afternoon games are to be a regular monthly event from now on," she concluded.

Next game and luncheon is scheduled for Thursday, November 13, at the home of Mrs. Petersen, 23 Woodrow street.

Assisting Mrs. Petersen will be several members of the unit. Mrs. Petersen announces there will be a prize for every table.

Luncheon will be served at 12:30 p. m. with card playing following. Price of admission is nominal and the public is cordially invited to attend.

Ladies of Woodrow Wilson P. T. A. executive board assisted with the Hallowe'en party, held at Jefferson Union high school, Friday.

Mrs. Hanley attended the district executive board meeting at Burlingame, Monday. The meeting was held in the little theatre of the Burlingame high school.

Chicken Loaf with GRILLED APRICOTS

by Dorothy Greig

THE next time you have roast chicken and it has reached that denuded state in which there is still some chicken left but not enough for a family meal, do this:

Take a sharp little knife and carefully strip off every last morsel and shred of the chicken meat until you have a good cupful of chicken pieces.

Just one cupful is all we need for this delicate chicken loaf. Yet by the time we finish, it comes to the table in all the glory of a fresh hot main dish for dinner, sufficient to serve four or five generously. We deepen the chicken flavor by adding condensed chicken soup to our mixture. This helps keep it moist, too. The red of chopped pimiento and green of parsley make it look extra appetizing.

The loaf is smooth in texture and tender to the knife, slicing down neatly without crumbs. As a final touch garnish with hot grilled apricot halves:

1 can condensed chicken soup
1 cup chicken
1½ cups soft bread crumbs
1 tablespoon pimiento, chopped
1 tablespoon parsley, chopped
½ teaspoon salt
2 eggs

Strain the rice, celery and chicken from the chicken soup. Combine them with chicken and put through the food chopper using the small blade. Then mix the chicken mixture with the soft bread crumbs, chicken consomme from soup, chopped pimiento, chopped parsley, salt and eggs. Put into a greased loaf pan and bake in a moderate oven (350 degrees) 45-60 minutes or until firm. Garnish with grilled apricots. Serves 4-5.

Special Note—if you prefer a loaf that is decidedly firm, add one more egg to the chicken mixture.

Oldest Going Concern

A World's fair has been held annually at Leipzig without interruption for over 700 years, breaking all records for business longevity. The map of Europe has been repeatedly redrawn, dynasties have risen and fallen, but the fair has remained the one thing permanent. The fair attracts business men today from 74 countries. American participation dates back for a century. The fair includes the newest art and industrial products from 32 of the leading industrial countries.

Florida's Edible Fish

Of the more than 300,000,000 pounds of fish caught in Florida waters annually, little more than one-third are of the edible variety, according to R. L. Dowling, state supervisor of conservation. The non-food fish, mostly menhaden and sharks, are used in the manufacture of fertilizer, oils and novelties, Dowling explained.

Jefferson PTA To Hold Whist Party

Following the regular meeting of the Jefferson Union High School P. T. A. executive board, this afternoon, the ladies will hold a whist.

Mrs. Harry Jones is chairlady and other members of the executive board will assist with the party arrangements.

Proceeds from the game are to go toward replenishing the general fund, according to the ladies.

The public is cordially invited to attend the whist, which will be held in the school cafeteria at 2 p. m. There will be many lovely prizes.

Dog Stays On

Frank Brusewitz has retired as station agent for the Great Northern railroad here but his faithful dog, Terry, carries on. Terry reaches the station every morning at 7:30 o'clock, meets all passenger trains and then trots to the post office and bank—a routine he followed with his master for years.

Saucy Hot Puddings

By Frances Lee Barton

A HOT pudding certainly fits into the menu when the temperature is getting colder day by day. Serve the pudding with a hot foamy sauce and you really have a dessert for the men folks. There's no doubt about it—they say "seconds please!" every time.

Chocolate Fruit Pudding

1 cup coarsely chopped candied cherries; 1 cup coarsely chopped candied pineapple; ⅓ cup coarsely chopped candied orange peel; 1 cup finely cut seedless raisins; 2½ tablespoons rum extract; 2 cups sifted flour; 2 teaspoons double-acting baking powder; ½ teaspoon soda; ¼ teaspoon salt; ⅓ cup butter or other shortening; ¾ cup light brown sugar, firmly packed; 1 egg, well beaten; 3 squares unsweetened chocolate, melted; 1 cup milk.

Combine cherries, pineapple, orange peel, raisins, and flavoring. Let stand in tightly covered jar 24 hours, stirring fruit occasionally to distribute flavoring.

Sift flour once, measure, add baking powder, soda, and salt, and sift together three times. Cream butter, add sugar gradually, and cream together thoroughly. Add egg and chocolate, beating until smooth. Add flour, alternately with milk, a small amount at a time, beating well after each addition. Fold in fruit mixture. Turn into one 2-quart or two 1-quart molds. Cover tightly and steam 2½ to 3½ hours, depending on size of mold. Serve hot with your favorite sauce.

Ticket Trickery

If you can get a traffic ticket "fixed" in your town the chances are that more serious offenses are also being condoned, according to the National Consumers tax commission, whose tax reduction drive seeks additional municipal economy and efficiency.

Classes

SENIORS

Graduation is is the main item on the seniors' list of activities. Proofs were returned, Monday, of their pictures.

Measurements were taken for their senior sweaters, last week. The student committee chose an emblem like the one on the student body cards. Approximately one hundred seniors have signed up for sweaters.

LIBRARY

In honor of book week Jeff's library has been all dressed up. A frieze of stick figures, showing book jackets of all the latest books, has been posted. New books, purchased by the school, have been arranged in an attractive display by the librarian, Miss Ethel Fillmore.

Miss Fillmore announced some of the new books that now can be obtained . . . "Aviation From Shop To Sky," by John J. Floherty; "Piang, The Moro Chieftain," by F. P. Stuart; three volumes of operas, Italian,, Wagner and German; and an illustrated book, "Magic Motorways."

Every time a student takes out a book, this week, he will receive a tiny bookmark. The bookmark gives nine rules for keeping a book attractive.

C. S. F.

Members of C. S. F. will meet this afternoon in the regular C. S. F. room for a special meeting. Plans are to be discussed in regard to a convention to be held at George Washington high school, San Francisco.

Last week, the members were called to order by Harvey Melicker, vice-president, in the abscence of President Robert Grimes.

ITALIAN CLUB

Members of the second period Italian class have formed a club.

Chosen as leaders are: Grace Lopresti, president; Frank Feno, vice-president; Gloria Fontana, secretary; Louise Baciocco, treasurer; Eugene Gilarducci, sergeant-at-arms.

It was decided to hold meetings every Friday. At this week's meeting they will select a name. They will also determine whether or not to purchase pins and sweaters.

EXECUTIVE BOARD

At last week's executive board meeting, Roy DeVincenzi, vice-president, called the meeting to order due to the absence of the president.

DeVincenzi reported that he had contacted Principal James Ferguson about the senior benches. The matter is to be discussed with the board of trustees.

Tillie Castro, yell-leader, announces that new megaphones have been obtained.

Judge McCrystle requested all members of the sergeant-at-arms committee to attend court session unless excused by him personally.

NATURE SOCIETY

Members of the Nature society went on another excursion, last week. Their game were Hemiliciea, better known as the California buck moth, butterflies and grasshoppers.

The group met in front of the school at 6:30 a. m., climbed aboard their instructors' station wagon. Destination was the San Joaquin valley.

Those enjoying the outing were: Deloris Thomas, Doris O'Steen, Louise Baciocco, Sophie Sikeotis, Jerry and Clayton Kallman, Carl Bryant, John Mosman, Bob Hahn and Leslie Grieg.

Edgar and Arthur Smith accompanied the group. After the excursion the party was invited to the Smiths' home in Los Banos.

Campus Fashions

Girls, with these nippy mornings you'll want to include some sort of a curl catcher that will look chic and hold your straying locks, all at the same time.

Milliners have really gone to town and made this season's crop of bonnets fetching indeed. First and most popular with the teens is the regulation overseas cap, made of gabardine and piped in navy. This little dinger can be cocked jauntily over one eye.

The Tyrolean hat, with a badger brush playing sentinel in back, is a darling when you have lots of screwy trinkets pinned over the crown.

New and growing in poupularity is a cowgirl felt hat to push on the back of the head. There are chin cords attached to help fool the law of gravity in keeping it on your head.

Just out is the little-boy cap that is the split 'n immage of the one your little brother is wearing. It looks chic when it is stuck behind your pompadour.

This week's campus Miss is indeed a fashion model. Her hair is brown and fixed in perfect little curls that touch her shoulders. Her eyes are soft brown and she has a cute little dimple when she smiles.

She was styled in a chic campus outfit of red, white and black. She wore a darling red skirt topped by a white blouse. Her feet were shod in white boots.

Her hobby is music, and she is well-known to Jefferson for her musical ability. She has played for two years with the Indians of Rhythm and also played with the high school band and orchestra. Her pet peeve is the wrong kind of hair-do.

When it comes to her favorite sport, she swings a mean racquet.

In case you are still a little in the dark as to who our campus Miss is, she is a junior, studying to be a secretary and . . . why of course you know who I mean, Miss Gloria Tooth. So here goes this week's fashion bouquet to a fashionable Miss.

Sports

SPORTS DAY

Three girls will attend the sports day at San Francisco State, Saturday, November 15.

Miss Ella Redkey, physical education instructor, will accompany the girls. Registration will be held from 9 a. m. to 9:30 a. m. They will play sports and at noon have a luncheon.

ARCHERY

An archery tournament is being held by the girls of the G. P. A. L. Two playoffs have already been held.

Edith Fasshauer came in first in both of the matches. Others participating were: Nadine McDonald, Mary Falbo, Rita Lozano, Mary Fillmore, Bernice Crowder, Gwendolyn Stegman, Alice Crossland, Joyce Yates, Nancy Sorg, Linda Montgomery, Anita Lehigh, Alma Simonita, Norma Simonita, Elaine Saul, May Sidel.

In a practice match the following boys played: Billy Wright, first; Lowel Coy, second; George Adams, third; Bruce Davis, fifth. Others participated but didn't turn in scores.

Class teams have been arranged and will start holding playoffs tomorrow.

Freshman team consists of Bob Evans, Raymond Waldron, Bill Reardon and Don Russel. Sophomores are William Fasshauer, Bill Wright, Dave Johnson and George Lagomarsnio. They will compete with each other on Monday, November 10.

Juniors include Lowell Coy, George Adams, Stanley McCann, Gerold Martin, and Fred Hanel. Seniors, Bob Crooker, Bruce Davis, Walter Lehigh, and Albert Olveri. They will play tomorrow.

Girls' class teams will be announced later.

HOCKEY

Jefferson girls were host to two schools, Wednesday, in a hockey sports day. The two schools who came up to play on the field were Burlingame and Sequoia high schools.

Today the girls will have a meet at South San Francisco.

Girls participating in last week's games were: R. Carlsen, E. Sambuceti, Z. Blandini, D. Dave, A. Bernardi, M. Hill, E. Hanel, S. Sikeotis, V. Flatt, J. Malone, M. Falbo, Finsterbusch, T. Falbo, P. O'Brien, G. O'Brien, M. Hill, Sikeotis, Flatt, Fashauer, Oxley and Falbo.

At The District Grammar Schools

At Woodrow Wilson

After making one hundred tray favors for Hallowe'en dinner for soldiers at Fort Ord, the art classes of Rooms 12 and 15 received a letter of appreciation from Margaret B. Walsh, assistant field director of the Junior Red Cross. This fine display of enthusiasm on the part of Woodrow students was a result of an appeal from the Junior Red Cross.

ROOM 4

Illustrating a section of a study unit about the industrial revolution, a film entitled "Steam Power" was shown to the students of Room 4.

ROOM 8

Connie McAdon, a new student, was welcomed into the class last week. Connie formerly lived in Iowa.

ROOM 9

With the intention of decorating a Thanksgiving Day table, Shirley Miller recently picked fourteen gourds from one plant. Shirley planted the seeds, last May.

At Crocker

ROOM 2

Completion of a study unit concerning the history and development of the electric light was climaxed by a talk by Lamont King on the life of Thomas A. Edison.

Twenty-six students of the high seventh and low eighth grades went roller skating at the Ambassador Roller rink on Geary and Fillmore streets, Saturday, October 25.

Opening the volleyball season with a victory, the Crocker school team defeated Jefferson grammar school by a score of 43 to 38. The game was played at Crocker. Crocker's volleyball team consists of Charles De Martini, Robert Dunne, Jack Farmar, Albert Francesconi, Franklin Hukari, Ernest Lantz, Henry Montano, Bill Pape, Louis Valletta, and Buford Watson.

At Jefferson

A rousing success was this year's annual Hallowe'en party for students of the eighth grade. The decorating committee, at work for two weeks, transformed a garage into a very colorful setting. A number of clever costumes prevailed, and a large variety of refreshments were served. Guests were greeted with a weird reception symbolic of Hallowe'en, and there were games and stunts performed. Throughout the evening, the music of Norman Stanghellini and Peter Ramer, on steel guitars, and Louis Hill, on the harmonica, was enjoyed.

Members of the Jefferson kindergarten also enjoyed a party celebrating Hallowe'en. The decorations were results of their own handiwork. A program of dances and imitations of Hallowe'en caricatures was carried out.

First grade students chose a numbers game for their entertainment. The game tends to develop the memory and number recognition.

Competition was very keen between the low fifth and the high fifth grades in a language match. A challenge for the contest was made by the low fifth students. At the end of the period, Leon Marable and John Wilkens of the high fifth and Eleanor Figone and Paul Wilbanks of the low fifth shared high honors.

Sketches supplemented short talks by students of the sixth grade to illustrate a study of the people of foreign countries.

Jefferson Indians Win Game With Lincoln 6-0

With a sensational 90-yard touchdown run by Jack Andriola on the opening kickoff, the Indians of Jefferson high gained a long sought victory, defeating Lincoln high school, Friday, 6-0.

The touchdown was executed on a reverse play, a piece of Coach "B. I." Biggs strategy, behind perfect blocking.

The touchdown gallop by the shifty sophomore halfback was the deciding feature of the game at Jefferson field, as it was the only score of the game. Lincoln, however, gave the fans a scare midway in the last quarter. After completing a long pass deep in Jefferson territory, the Lincoln boys started throwing passes to all points until they were on Jeff's 1-yard line.

Realizing the danger, the Jeffs bolstered their pass defense, and an incomplete aerial over the end zone ended the visitors' threat.

The Jeffs looked like a different team, Friday, than they have in previous games, showing a marked improvement. Defensively, the Jeffs turned in a fine performance with the possible exception of pass defense.

On the offensive, the scoring was still lacking in the Jefferson attack. Several times during the game, the Jefferson passing attack started to function with Ferrando pitching plenty of strikes, but fumbles and penalties marred the efforts.

In the third quarter, the Jeffs had a good chance to score on a lateral pass play, but a fumble in the backfield lost the ball.

Once again, in the last quarter, the Indians started a drive from their own 20-yard line, and with a running attack, carried the ball to midfield. A holding penalty, however, set the Jeffs back 15 yards.

Coach Biggs was satisfied with Jefferson's performance, but he added that the offense was far from smooth. Coach Biggs said that the line performed much better than in previous games.

Jefferson Loses To South San Francisco

Jefferson's two squads of lightweight basketball aspirants had a non-profitable evening, Friday night, at the local high school gymnasium when they lost a pair of games to South San Francisco.

South City's 110's defeated the Jeffs 30 to 16 in the first game. Murray, visitor's center, was high scorer of the game, ringing up a total of 12 points. Rerecich was high for Jefferson high with 6 points to his credit.

In the 120 contest South City rolled up a 38 to 13 total against the Jeffs. Fendeur, South City, hit the net for 11 points for high scoring honors, while Johnson and Welch scored 6 points apiece for Jefferson's part in the total.

GEORGE CURRY WINS CAR

Bowling turned out to be a profitable sport for George Curry, Daly City bowler, Sunday, October 26, when he won a brand-new 1941 Pontiac car in a tournament at Burlingame.

Curry won the coveted first prize by rolling a grand total score of 2284. He came up with the two highest games in the finals, rolling a 214 tally in his first game, and a total of 210 in his fifth game.

The presentation of the new automobile was made to Curry at the close of the tourney by Supervisor Edward McDonald.

The tournament has been in progress for the past six months at the Burlingame bowl. Totals were recorded for the two highest bowlers of each week, and of the first place bowler of each month.

By this type of elimination, Curry bowled with five other top keglers in the finals of the tourney.

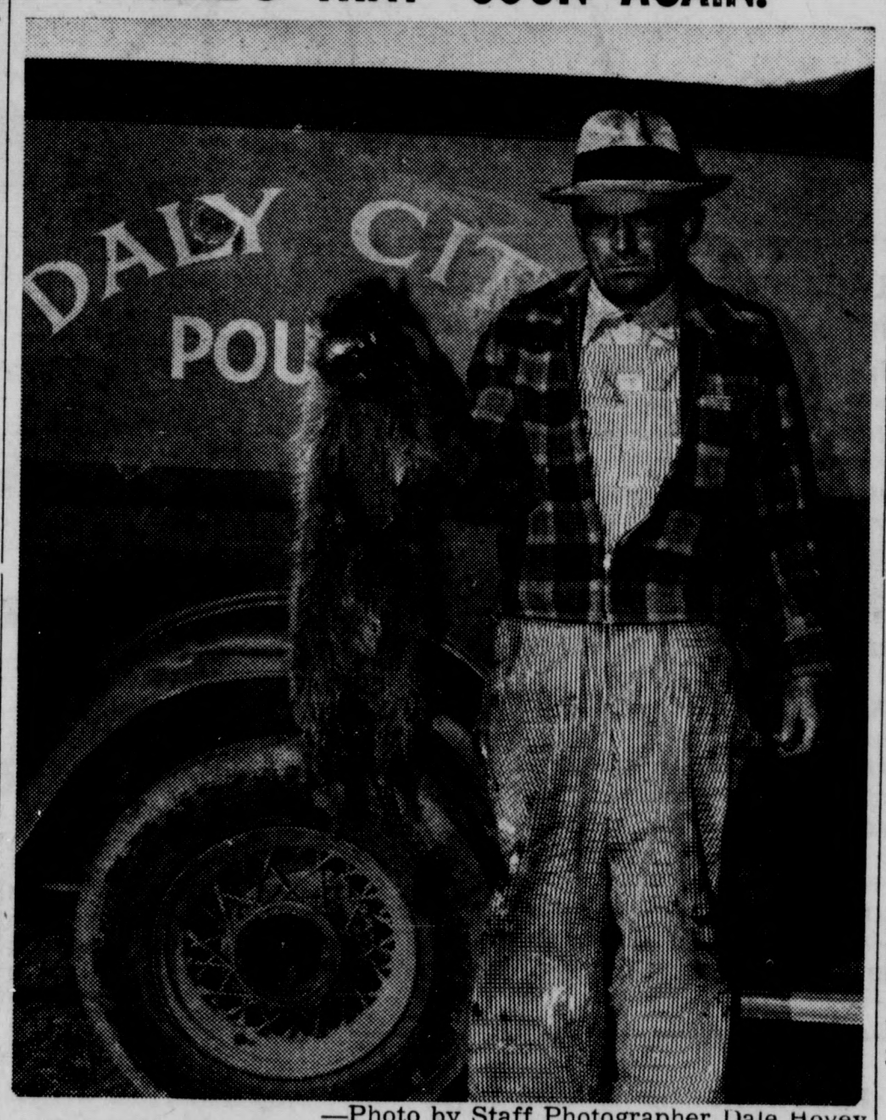
HERE'S THAT 'COON AGAIN!



—Photo by Staff Photographer Dale Hovey

Yes, we know you read about the "affaire de raccoon" last week, but here is a picture of the drama's climax. Archy Banfield, poundmaster, holds up the 30 pound 'coon, which he had to destroy when it ran amuck at the home of Gene Gfroerer, 269 Los Olivos avenue, last week.

The coon not only gave the poundmaster a merry time—it was so reluctant to pose for a picture that it was impossible to get the photo to the engravers in time for last week's paper.

Winterland Features Pair-Skating Contests

The grace and rhythm of ice skating is being exemplified in a series of weekly pair-skating contests held Tuesday evenings at Winterland, Post and Steiner streets.

Dozens of couples skate in each of the contests and participants are selected for advancement to a semi-final and final competition with prizes for the winners. Semi-finals of the present series will be held, December 9.

Pair-skating is one of the fascinating diversions of ice rinks and may be done by skaters with varying degrees of ability. It is similar to dancing in that rhythm, grace and poise are its main beauty requisites. Timing is the major factor for award of points.

Other special events are continuing to attract crowds at Winterland now that the winter sports season has arrived. Ice Polo, non-hazardous adaption of hockey, is played each Monday night; speed events and barrel-jumping are set for each Thursday night; "musical chairs on ice" is played each Saturday night.

Jeff's Gridders To Play Palo Alto

Seeking a PAL victory this week, Jefferson's gridders trek southward, Friday, to tangle with a strong Palo Alto high school team.

Fresh from their 6-0 triumph over Lincoln high school, the Indian hopes are high, and the team has lots of confidence. Palo Alto boasts a fine record, having lost but one game this season. San Mateo edged out a 7-6 victory over Palo Alto, last week.

Coach "B. I." Biggs is putting the Jeffs through the paces this week in an attempt to develop a more effective offensive attack.

A likely starting lineup for the Jefferson line is Dyer and Steele at the end posts, and Christofani and Faulk playing the tackle positions. Tatone and Christianson will probably start at guards with Dawe at center.

A probable backfield combination finds Manuel Huerta calling signals, Jack Rainey and Jack Andriola at halfback, and Harlan Ferrando at fullback.

Sheriff's Team-Eagles Tie For Third Place in Daly City Bowling League

Bowling in the Daly City league, Friday night, keglers from the Sheriff's team skipped three rungs of the ladder, and now share third place with Colma Vista Grande Eagles.

The Sheriffs gained third place by taking three games from Milo's Market. The Eagles, formerly in fourth place, won two games from the league leaders, Universal Press, and Milo's Market dropped to fourth place. Curry's Barbers and Daly City Cleaners each took a pair of games from Conci Shell Service and the Lions club.

Cliff Curry equalled his previous record for high individual single score with 229.

High records have not changed hands, Johnson still holding the record for individual series points with a total of 602.

Schedule for play this week sends Milo's Market against Conci's Shell Service in alleys 1 and 2. Sheriff's Office will meet Curry's Barbers in alleys 3 and 4.

In alleys 5 and 6, Universal Press will play the Daly City Cleaners, and in alleys 7 and 8, Colma Vista Grande Eagles will play the Daly City-Colma Lions club.

The standings:

Team—	W	L	Pct.	High Single	High Series	Team Ave.

Boy Struck Down By Live Wire Here

Daly City police were, this week, investigating the case of an unidentified boy who was struck down by a live wire, Sunday evening at 6 p. m. The wire was on an electric pole near some new houses on Hillside boulevard.

The boy was seen by Gerald Eling, 230 North Park avenue, Daly City, who was doing some construction work on the new buildings. When Eling approached the place where the boy was struck, a passing motorist, also unknown, had reached the unconscious boy, saying he would take him to a hospital.

The local police department was unable to find out any more details after having called every hospital in a vicinity of 20 miles.

It is the belief of the police that the boy had recovered sufficiently before arriving at a hospital to request going directly home.

"Imagine me, steering a Destroyer!"

"And I've had two pay raises in only eight months! I'll say you can't beat Uncle Sam's Navy!"

YOU couldn't ask for a greater thrill than that which a fellow gets when he comes back home wearing a trim Navy uniform. The folks crowd around. They all want to know where you've been, what you've done. And man, do you have stories to tell!

GREATEST LIFE IN THE WORLD

You're proud. And you should be. For you've been leading the greatest life in the world. And it's a thrill to tell about it, too. A thrill to see the admiration in the eyes of the One and Only Girl as you tell about the first time you steered a Destroyer. Or handled a P.T. Boat at more than 45 miles per hour. Or stepped out in front of your shipmates to receive your first promotion.

And with that promotion came an increase in pay. And there were more to come. Second Class. First Class. And then Chief Petty Officer. Many might even go to Annapolis. Or to Pensacola with the flying cadets!

Exciting? You bet, and fun too. Something doing all the time. Real he-man's stuff. Boxing. Baseball. Football. Swimming. AND MOVIES... previews, too!
